

Housekeeping and Front of House

Seasonal full and part time work from July 2017 to February 2018 to work within Auchnacree House and Redheugh Lodge (both 9 bedrooms). During the shooting season a team of 4-5 Front of House and 4-5 housekeeping look after these properties and are managed by the Head Housekeeper. An average week in the shooting season consists of 3 or 4 shooting days, around a dozen are day shoots and the remaining dates (approx. 60 days) guests will be staying in the estate accommodation.

Front of House

Experience in food and beverage standards and procedures desirable or eagerness to learn, the nature of shoot days are early starts late finishes but there is time for breaks during the day. On non-shoot days planning and preparation work can be carried out within office hours and days off can be taken. We have no guests over Christmas.

Housekeeper

Practical skills and knowledge in all areas of domestic housekeeping, turning over guest accommodation and maintaining the high standards during the guests stay.

Individual that is hardworking, well-mannered and versatile to adapt to the diverse styles of service required and the post holder must be able to respond positively to ever changing situations. Staff accommodation can be provided in a shared four bedroom property with a private bedroom and meals while on duty would be provided. Given the location a car driver would be preferred. Further employment opportunities maybe available following February 2018 within the estate.
